WELCOME TO AKFOTEK ENGINEERING LTD

INDUSTRIAL SOLUTIONS THROUGH SMART ENGINEERING

[Home](#)[About](#)[Service](#)[Product](#)

WHO WE ARE ?

AKFOTEK Engineering Limited is a registered Nigerian company delivering specialized services in **electrical engineering, industrial automation, and instrumentation**, structured into three core divisions—Electrical, Automation, and Instrumentation, each led by **qualified professionals with over two decades of industry experience committed to delivering innovative, safe, and reliable solutions**. In addition to executing engineering projects, **we supply high-quality industrial equipment** and offer **hands-on technical training programs** designed to equip industry professionals with practical, job-ready skills. Serving sectors such as manufacturing, oil & gas, and other industrial operations, we are dedicated to driving progress through excellence, integrity, and a strong focus on technical empowerment.

OUR VISION

We are committed to becoming the preferred partner for industries by tackling key challenges such as unreliable engineering services, the shortage of skilled technical professionals and low-quality equipment through the delivery of innovative solutions, practical hands-on training, and reliable industrial products that support safe and efficient operations

OUR MISSION

Our mission is to empower industries by delivering dependable engineering services, supplying high-performance industrial equipment, and bridging the technical skills gap through practical, hands-on training. We are dedicated to solving real-world challenges such as inconsistent service delivery, inadequate workforce capacity, and equipment failures by offering innovative, safe, and sustainable solutions that drive productivity and operational excellence.

OUR INTENTION

At **AKFOTEK ENGINEERING LTD** our intention is to empower industries and individuals through dependable engineering solutions, high-quality equipment, and hands-on technical training. We aim to bridge the skills gap with real-world knowledge, build trust through consistency, and be the team that shows up, solves problems, and stays committed. We are here to make a lasting difference.

OUR EXPERTISE AREAS

At AKFOTEK Engineering Limited, our expertise spans across core technical fields critical to industrial performance and sustainability

ELECTRICAL ENGINEERING

We handle Design, installation, maintenance, and troubleshooting of industrial electrical systems, panels, and control systems.

[Home](#)[About](#)[Service](#)[Product](#)

INDUSTRIAL AUTOMATION

We help integrate automation technologies, PLC programming, SCADA systems, HMI development, and control solutions to enhance industrial efficiency and productivity.

INSTRUMENTATION & PROCESS CONTROL

We also handle Calibration, installation, and maintenance of sensors, transmitters, and control instruments for accurate process monitoring and optimization.

PROJECT EXECUTION & TECHNICAL SUPPORT

We Turnkey project execution, system upgrades, commissioning, and on-site support tailored to the specific needs of industries

[Home](#)[About](#)[Service](#)[Product](#)

INDUSTRIAL EQUIPMENT SUPPLY

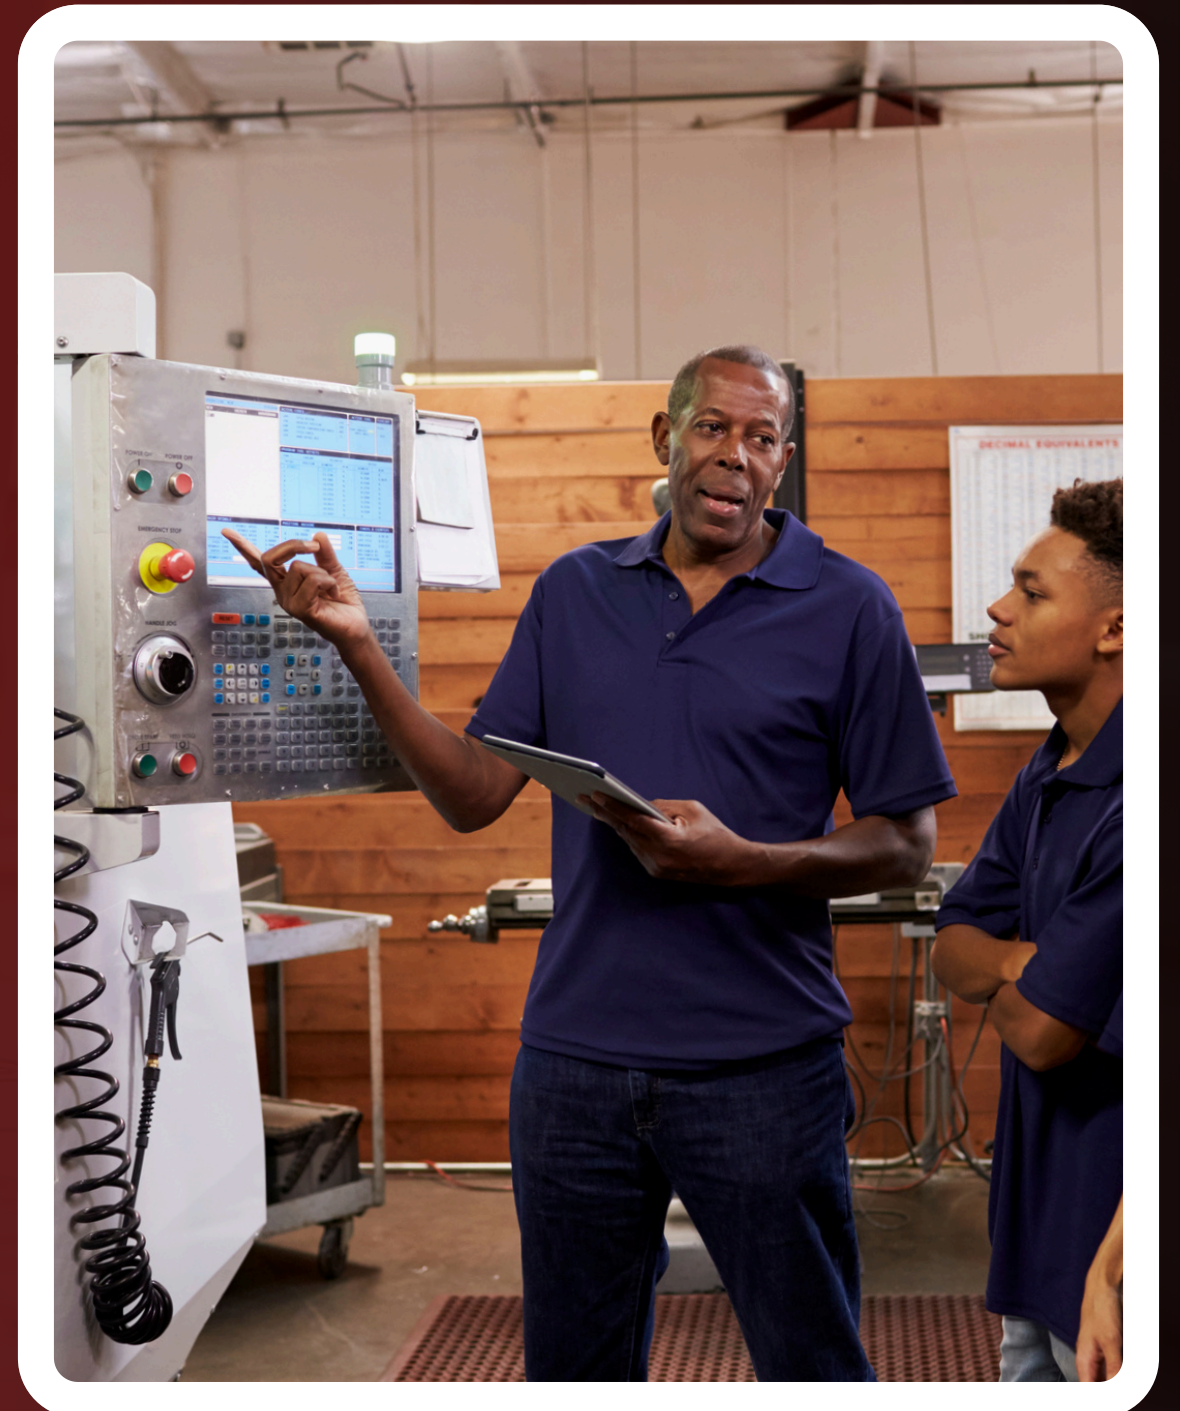

We Source and supply high-quality, reliable electrical, automation, and instrumentation equipment from trusted global brands.

[Home](#)[About](#)[Service](#)[Product](#)

HANDS-ON TECHNICAL TRAINING

We offer Practical, industry-focused training programs in electrical systems, automation, and instrumentation to bridge the technical skills gap in the workforce.

CLIENT-CENTRIC APPROACH

We believe that successful engineering begins with understanding our clients' needs. **Akfotek Engineering Ltd.** Places clients at the center of every project, ensuring a tailored approach that meets specific goals and challenges. By fostering open communication, transparency, and collaboration, we build trust and deliver outcomes that exceed expectations. Our client-centric approach ensures that every vision becomes a reality through unparalleled expertise and dedication.

RECENT PROJECTS

From complex electrical installations to intelligent automation systems, **AKFOTEK Engineering Limited** delivers solutions that power industrial excellence. Our growing portfolio includes automated production lines, precision instrumentation setups, and training programs designed to upskill technical teams across sectors. Each project reflects our commitment to innovation, reliability, and measurable impact in industries

TEAM EXCELLENCE

The strength of **AKFOTEK ENGINEERING LTD** lies in its people. Our team comprises skilled engineers, visionary engineers, and tech-savvy specialists who work collaboratively to deliver exceptional results. With diverse expertise and a shared passion for innovation, our team is equipped to tackle projects of all scales and complexities.

CHALLENGES AND SOLUTIONS

Engineering challenges inspire creativity at **AKFOTEK ENGINEERING LTD**. We excel in overcoming obstacles by devising innovative solutions that align with our clients' visions and requirements. From addressing environmental concerns to integrating cutting-edge technologies, we approach every challenge as an opportunity to innovate. This problem-solving mindset ensures successful outcomes, no matter the scale or complexity of the project.

COMMITMENT TO SAFETY

Safety is an integral part of our engineering philosophy. At **AKFOTEK ENGINEERING LTD**, we adhere to rigorous safety protocols that protect our team, stakeholders, and the environment. By prioritizing safety at every stage, from design to execution, we ensure projects are not only successful but also secure. Our commitment to safety reflects our dedication to responsible engineering practices.

INDUSTRY PARTNERSHIPS

Akfotek Engineering Ltd collaborates with industry leaders, academic institutions, and technology providers to drive innovation and excellence. These partnerships enable us to stay at the forefront of engineering advancements, ensuring our clients benefit from the latest resources and insights.

FUTURE INNOVATIONS

Thank you for choosing **AKFOTEK ENGINEERING LTD** as your engineering partner. We look forward to collaborating with you to achieve transformative results. Together, let's build a future that inspires and endures.
